

We are excited to offer a new program to individuals with Down syndrome. We will be offering small grants to help cover the cost of programs and activities that help children and adults with Down syndrome be accepted and included for who they are.

recognize that every application is worthy of funding, but given our limited resources, we must make difficult decisions. If you are not awarded, please apply again!

Frequently Asked Questions

Do I have to be a member of Down Syndrome Alabama to apply or be awarded a grant?

No. You do not have to be a member, but you do have to live in Alabama. Families must be able to produce proof of Down syndrome diagnosis from a medical professional if requested.

How did DSA come up with the grant program?

In 2023, Montgomery Area Down Syndrome Outreach Group merged with Down Syndrome Alabama. This group, now the River Region satellite, ran a family grants program that was very appreciated and successful. We tweaked the program and intend to grow it to serve a larger group.

Is this grants program needs-based? Will I have to demonstrate financial need?

No.

Can the grant go directly to an individual?

No, there are no direct donations or grants to individuals. In addition, grants will not be awarded to pay for medical bills, political campaigns and legislative lobbying efforts, building or capital campaigns, or projects that exclusively serve religious purposes.

Who decides which applicants are awarded grants?

The board of DSA will approve a 3-member grants committee consisting of a board member, a community member or DSA junior board member, and a member of the River Region satellite. The Executive Director of DSA will join the committee as a non-voting member.
